

Declaration of Intent to Use — LucidLock Sentinel™

LucidLock Sentinel™ — Declaration of Intent to Use

I, *Sean Honan*, hereby declare my intent to use the name **LucidLock Sentinel™** in association with software and frameworks for:

- statistical risk engine (hallucination risk quantification)
- symbolic filters for mimicry, synthetic overconfidence, symbolic drift
- refusal logging, traceability & compliance modules
- fintech/healthcare / legal domain security pipelines
- integration via SDKs and APIs

This claim is made in good faith as the original author and designer of **LucidLock Sentinel**, and is timestamped today:

Date: *19/9/2025*

Signed: *Sean Honan*

Filed for symbolic and legal protection. Full trademark/patent / other IP filings pending.
